UNIMED PHARMA, spol. s r. o. is a Slovak pharmaceutical company with a long tradition in the development, production and sale of eye drops and ophthalmological preparations.

HEALTHY LOOK AT THE WORLD

is the company's basic philosophy in caring for the eyesight of users of our products with proven quality.

TOP MANAGEMENT COMMITMENT

The top management of UNIMED PHARMA, spol. s r. o. is committed to creating conditions and providing the necessary resources for continuous improvement and maintaining the effectiveness of the company's Integrated Management System in accordance with applicable regulatory and other requirements.

Main principles:

- We pay constant attention to building the company's goodwill, increasing the efficiency and safety of manufactured products by ensuring compliance with the requirements of EN ISO 9001, EN ISO 13485, applicable regulatory requirements of the Regulation (EU) 2017/745 on medical devices (MDR) and Good Manufacturing Practice (GMP): EudraLex The Rules Governing Medicinal Products in the EU Volume 4 - EU Guidelines to Good Manufacturing Practice Medicinal Products for Human and Veterinary Use. Annex 1: Manufacture of Sterile Medicinal Products.
- With our own regulation and development department, we ensure a high level of health and safety protection for patients and users, long-term satisfaction of customers, owners, employees and other stakeholders.
- By introducing new technologies, we contribute to the development of our own infrastructure in order to meet the ever-increasing requirements for the quality and safety of manufactured medicines and medical devices.
- We apply the principle of risk and opportunity assessment in all processes with the aim of timely detecting potential threats and opportunities and eliminating the probability of adverse events to the maximum extent, making processes more stable and efficient.
- Patient safety is our top priority, so we purchase raw materials and materials for the production of our eye drops only from our verified domestic and foreign suppliers.
- In the area of occupational health and safety, we perceive the fulfillment of obligations arising from applicable legislation as an integral part of all business activities aimed at creating a pleasant working environment.
- We invest in professional training of our employees, who are a key element of professional competence, professionalism, performance and competitiveness.
